## MAYSVILLE SPIRIT IS HIGHLY PRAISED BY KENTUCKY EDITOR

Lexington Leader Says Maysville's Example in Community Spirit Should Be Followed by Others.

The Lexington Leader Friday said editorially:

The two towns of bluegrass towns just concluded by Lexington business men should be repeated annually, with an extension of these pilgrimages into southeastern Kentucky fields.

The benefits derived from these trips are manifold. For one thing, they give opportunity to the business men of Lexington to know each other better. "Get acquainted with your neighbor, he may be a pretty good fellow," is a saying which contains far more truth than poetry.

In recent months many new men have come to Lexington to engage in business. They are highly desirable citizens and should be heartily welcomed. Some of them have become fairly well known in commercial and social circles, others, overly modest, are yet comparatively unknown to most of us. Some of these new-comers were on the motor trips just made under auspices of Board of Commerce.

Another benefit derived from tours like these is the lessons that may be learned from small and less pretentious cities. The community spirit that was found at Maysville, for example, was inspiring to every visitor. The boys' band of that city was a wonderful evidence of this. Maysville business men contribute \$5,000 a year for the support of this musical organization. It is composed of boys and girls ranging from eight to thirteen years of age, who are under the direction of a competent band master. Concerts are given frequently at a stand erected in the business center of the city or in the opera house. No charge is made for music furnished for any local function of a public nature. As for the character of the music, it must be heard to be appreciated. Every town could in this respect follow Maysville's example—if it had the vision and the spirit of genuine community interest.

All of the bluegrass towns are progressive and prosperous. There was not much evidence of idleness on the farms. Everywhere there were plowed and planted fields, everywhere the white-covered tobacco beds. If we do not have good times in Central Kentucky this year, it will be on account of untoward events yet to happen.

## May 30. Memorial Day. 1920

### True to Our Trust

Memorial Day this year brings with it a new touch of sentiment in the return of the bodies of our soldiers who gave up their lives on the battlefields of France. Many hundred now graves have already been turned. It is thought virtually all of the bodies will be in our own soil by the end of the year. These pictures show some of the flag-draped caskets upon arrival at our Atlantic port docks.

### P. T. ASSOCIATION ELECTS OFFICERS FOR THE YEAR

Interesting Meeting of First District Parent-Teacher Association held Friday.

One of the most interesting Parent-Teacher Association meetings of the year was that held at the First District school Friday afternoon. The program consisted of a group of songs by the Third Grade girls. The Japanese song, in costume was especially enjoyed. Little Miss Catherine Glascock played a beautiful violin solo. The principal feature of the program was an address given by Mrs. Clarence Wood. Those present will long cherish in their memory the message of the afternoon. Her presence and message was a great inspiration to all.

The work of the pupils in each grade was on exhibition and the rooms were suitably decorated for the occasion. Much praise was given both teachers and pupils for the excellent work they have been doing.

Miss Emma Deloid's room won the new flag, her room having the largest number of visitors present.

The following officers were elected for the coming year.

President—Mrs. Stalder.

First Vice President—Mrs. R. G. Knox.

Second Vice President—Mrs. Percy Lee.

Secretary and Treasurer—Miss Virginia May Hurd.

You are invited to hear Col. Smith Sunday afternoon at the Third Street M. E. church.

Herbert Clay Hazel, aged 28, of Cincinnati, and Miss Helen Louise Hayes, aged 21, of this city, were married in the County Clerk's office here this afternoon by County Judge H. P. Purcell.

All local banks will be closed all day Monday in celebration of Memorial Day.

### MAYSLEICK WINS HONORS IN FIRST ATHLETIC MEET

Practically All of the Honors at First Athletic Meet Are Carried Away by Maysleick Students.

The first annual inter-scholastic athletic meet held at the Maysleick High School Friday was a decided success in every respect. There were many in attendance and the various schools of the county displayed keen interest in athletics. Practically all of the events were won by students of the Maysleick school which has probably been showing more interest in athletics than any other school in the county.

The meet was held under the direction of the Kentucky Y. M. C. A. and the decisions were fair in every way. Several pictures were taken of the entrants and a fine dinner was served. The winners of the various events were:

**Standing Broad Jump.**

Stearns, Maysleick, first, 8 ft. 8 in.

Itees, Maysleick, second, 8 ft. 2 in.

Logan Jones, third, 7 ft. 10 in.

**Running Broad Jump.**

Laytham and J. H. Dotson, Maysleick, third.

**Tag of War, Seven Men.**

Maysleick vs. Minerva and Sardis, won by Maysleick.

A number of mass games in which every one participated was put on by Mr. Karl Zerfoss.

**MANY A COMPANY BAND TO OHIO CITY.**

There was quite a large delegation of Maysville people who accompanied the Boys' Band to West Union, the capital of Adams county, Ohio, today where the band plays for Memorial Day exercises. This was the first official trip of the Maysville Auto Club and had it been on any day except Saturday there would have been a much larger delegation.

**MONDAY IS SCHOOL HOLIDAY.**

The City Board of Education at its regular monthly meeting on Friday evening made next Monday a school holiday in observance of Memorial Day and there will be no school in the city on Monday.

All local barber shops will close Monday at noon in celebration of Decoration Day.

### NO ACTION IS TAKEN ON SIXTH WARD SCHOOL

Board of Education Postpones Definite Action on Sixth Ward School Proposition.

At the regular monthly meeting of the City Board of Education held at the High School building on Friday evening no definite action was taken on the Sixth ward school building proposition and this matter will be taken up by the members of the board at some future meeting. It is not likely, however, that the board will ask for a bond issue election for the erection of a new school building in the Sixth ward in the near future.

The vacancy which exists in the colored schools was not filled by the board at last night's meeting, it being decided that the four applicants for this vacancy submit themselves to an examination to be given by the Superintendent and that his recommendation be based on the grades made by the applicants in that examination.

Plans for Commencement Week were not discussed at last night's meeting, that matter being deferred until a later meeting, which will be held some time prior to Commencement.

### PRESIDENTIAL POSSIBILITIES

W. M. S. KENYON, Iowa.

AUTOMOBILES COLLIDE.

The Omar Dodson wholesale grocery's auto truck and a Ford driven by Mr. W. R. Catron, of the county, came together at Second and Sutton streets Friday afternoon. The fenders on the Ford were badly damaged.

### TWO ARE ACCUSED OF WHISKY THEFT

Liquor Stolen From Tarr Distillery Has Not Been Located Combs Admits.

Lexington, Ky., May 29. — James H. Combs, Prohibition Director, Friday stated that his department had taken into custody at least two of the band of masked men who in March removed 94 cases of whisky from the Tarr distillery bonded warehouse, but that they had not recovered the whisky, which was confiscated at Versailles by the Government when in transit.

According to Director Combs, one of the men, whose name he did not disclose, and whom, he says, now is working in Cincinnati and reporting twice weekly to District Attorney Slattery's office in Covington, has confessed that he received \$1,000 from two men to "pull off the job," and that they sent the six other men who assisted him.

David A. Vick, who was admitted to \$5,000 bail by Commissioner Ward, is the latest to be arrested as a result of the theft.

### REMOVED TO HIS HOME AFTER OPERATION.

The Lexington Leader says: "William J. Reese, who was accidentally shot during the riot here February 9, and who underwent an operation at St. Joseph's hospital a few weeks ago in which his leg was amputated, had so far recovered that he was taken to his home, 726 East Main street, Thursday afternoon."

### BOARD IN SESSION FOR SHORT TIME ONLY.

The City Board of Tax Supervisors was in session for but an hour today but during that time they disposed of many complaints. The board will not be in session on Monday observing that day as a holiday. They will return to their duties however on Tuesday and will remain in session until their labors are ended.

### ELKS' DANCE IS VERY DELIGHTFUL.

The second bi-monthly dance given by the local order of Elks at their home in Court street Friday evening was a most delightful affair. There were many in attendance and the music was unusually good and furnished by our own Maysville dance orchestra.

### RECEIVES MEDICAL DEGREE.

Mr. Jerome Zeigler, of the Orangeburg neighborhood, will receive his medical degree from the Cincinnati Medical College this year. Graduating exercises will be held the first of June.

Hear the great Soldier Orator Sunday afternoon.

### FAILURE IS MET IN THE EFFORT TO OVERRIDE VETO

Supporters of Lodge Fence Resolution Are Unable to Master Enough Votes To Go Over Veto.

Washington, May 29. — Lacking 29 votes of the necessary two thirds, the House failed Friday to pass the Knox resolution ending the war with Germany and Austria over President Wilson's veto.

The result was not unexpected. The vote was 220 to 152, 17 Democrats joining with Republicans in attempting to override the veto, while two Republicans voted with the Democrats to sustain it.

Before starting the fight on the floor, Republican leaders predicted that the veto would stand by a margin of ten, but nevertheless announced their determination to make the light just the same and let the record go before the people.

After the vote was announced by Speaker Frederick H. Gillett, Representative E. D. Brooks, Republican, of Illinois, insisted that he had voted with his party and he was so recorded.

Preceding final action, which again ended efforts to establish peace, there was an hour of debate in which the President's position was assailed by Republicans and defended by Democrats.

### LOYAL WOMAN WILL TEACH DYER SCHOOL.

Prof. T. J. Curry, who was principal of the Dyer High School during the past year, has accepted the position of principal of the Silver Grove school for next year and Miss Ethel Hart, of this city, former teacher in the Maysville public schools, has been chosen as principal of the Dyer schools for next year.

### MR. ROGERS' FUNERAL MONDAY AFTERNOON.

The body of Mr. James H. Rogers, who died at his home in Denver, Colorado, will arrive here today and be taken to the home of Mr. and Mrs. D. E. Fee in Sutton street. Funeral will be from this home Monday afternoon at 2 o'clock and burial will be made in the Maysville cemetery.

Do You Want Your Kidneys Examined?

Kidney troubles are getting more common every day. Government health bureau figures say deaths from this cause are 72 per cent more than 80 years ago.

Anybody who suffers constant backache, who has dizzy spells, headache and urinary disorders should suspect kidney weakness. Overworked kidneys must have a rest. Take things easier; live more carefully. Take a good kidney remedy to build the kidneys up again.

But be sure to get Doan's Kidney Pills—the oldest, the most widely used, the best recommended of all kidney pills, now in use all over the civilized world. Ask your neighbor. Don't experiment with your kidneys. Thousands have already tested Doan's. You have their experience to go by. Plenty of cases right here in Maysville. Here's one:

Mrs. W. A. Schatzmann, 605 E. Second St., Maysville, says: "From the benefit I have received from Doan's Kidney Pills, which I buy at J. J. Wood & Son's Drug Store, I have every reason to recommend them. When my kidneys have been irregular in action, or I have suffered from weakness and lameness in the small of my back, I have used Doan's Kidney Pills. They have always proven sufficient to quickly cure an attack."  
Price 60c at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mrs. Schatzmann had. Foster-Milburn Co., Mfrs., Buffalo, N. Y.

## SOILED MONEY SENT

## TO THE LAUNDRY.

The process by which soiled bank bills are cleaned and the Treasury Department enabled to make a large saving in paper, ink and labor annually, is a process not generally known to the public. The process is so successful, however, that it seems a pity this money-laundry is not available to all of us who so frequently are disgusted by the appearance of bills we are compelled to accept.

In the government's laundry the notes are placed on endless bands which pass in and out between a series of heavy copper rollers. These rollers revolve in a special kind of soap, and as the bills pass backward and forward they are washed and rubbed clean. They next pass between rollers running in clean water, and thus are thoroughly rinsed. Lastly they go through heated rollers which dry and iron them, leaving them almost as crisp and clean as when first printed.

## ANNOUNCEMENT.

Covington, Kentucky, May 10th, 1920.  
For some time past it has been known to many of my Republican friends throughout the state that I would be a candidate for the Republican nomination for United States Senator.

I now desire to make public announcement of that fact.

I keenly appreciate the responsibility and importance of this high position, and, in the event of my election, I will give to the duties of this office the best there is in me and will represent the people of Kentucky and of the United States to the best of my ability.

I desire, also, to take advantage of this opportunity to express my sincere thanks to the many Republicans throughout the state who have, without solicitation on my part, so kindly and generously offered me their support.

Gustav Ador, who has been appointed by the League of Nations Council as chairman of the International Conference on Finance to be held at Brussels this summer, in a former President of the Swiss Confederation, but to the world at large he is better known for his services as president of the International Committee of the Red Cross. With the outbreak of the World War M. Ador was given an opportunity to show his talents and skill as an organizer. He founded the world-famous agency of the prisoners of war, the main purpose of which was to act as intermediary between prisoners and their families or friends. He started the undertaking in his private residence. It was he who was largely responsible for the exchange of wounded or sick prisoners by the belligerents. In 1912 M. Ador visited America to attend the international conference of the Red Cross at Washington.

SUNDAY SCHOOL LESSON.  
MAY 30, 1920.  
Topic: The Value of Aggressive Leadership.  
1 Sam. 11:1-13.  
REV. J. J. DUFFY.

The lesson is an account of an adventure of Jonathan, the son of King Saul, in which he caused the stampede of the army of the Philistines which was encamped against the Israelites. It was a bold and daring deed, but Jonathan had prayed and he believed that God would give him the victory, and he did. The Philistines had disarmed the Israelites so that they were not prepared to fight. So it became necessary for God to interpose in order that the Israelites might gain their freedom. So God used this young Prince to deliver the people. God can always find a way to protect and defend those that serve him with all the heart. Jonathan is one of the brightest characters in the Bible. While his father was warring and unfaithful, Jonathan was true to God and the fight. He is a worthy example for all young men. The Bible is the place to look for models, and for the methods by which we may become models worthy of imitation. It is marvelous what God can accomplish through the instrumentality of one godly young man. There is everything in the Christian life to appeal to the hero in the young. Worldly heroes are lauded and admired, but Christian heroes are a much higher class. Their glory is not confined to this world, but it is in the future state their characters will be revealed and their rewards will be received. God loves heroes of the true type and He promises them a glorious immortality. One must read several chapters to get the setting of this lesson. It will richly repay perusal.

#### BOILLOT GIVES PEUGEOT TEAM EDGE IN BIG INTERNATIONAL RACING CLASSIC

With Jules Goux and Andre Boillot in the fold, the prospects of the French Peugeot racing team in the eighth International 500-mile sweepstakes on the Indianapolis speedway, Monday, May 31st, begin to assume a decidedly rosy hue, and it is the freely expressed sentiment of the wisecracks that Peugeot is the team the rest of the contenders will have to beat.

Andre Boillot looms up as a worthy successor to the laurels that crowned the brow of his famous brother,

Georges, conceded to be the greatest driver who ever held a steering wheel. In the last Targa Florio, run over the difficult mountain passes of Sicily, he gave the most sensational exhibition of driving in history.

His American racing debut was made during the Indianapolis contest in 1918, when running in third position within twenty miles of

the finish he lost a wheel and was eliminated. The mount that Boillot handled on this occasion was of the same size as those being groomed for this year's classic, and it was largely due to its excellent showing against its larger rivals that the new speedway racing rules limiting piston displacement to 183 cubic inches were placed into effect.

#### RALPH DE PALMA, MOST POPULAR RACE DRIVER, ENTERS FIGHT FOR \$50,000 PLUM

to be held at the Indianapolis Motor Speedway, May 31.

Ralph will pilot a Ballot, a product of the famous Ballot Motors, Paris, France, and there is no little mystery surrounding his mount.

De Palma first raced in a Ballot at the Los Angeles Speedway, this year. He has been turning in some fast cards in trials on coast tracks re-

cently, his best trip being around a 13-mile oval in .32:2, or 117.01 miles per hour.

His speed trials over the Indianapolis track before the race will be watched with interest by devotees of the gasoline steeds and his performance in the race will undoubtedly furnish many thrills for all the racing bugs.

#### Speedway Expects Greatest Long Distance Attendance in History

That there will be a greater long distance attendance at the eighth annual 500-mile race to be held at the Indianapolis Motor Speedway, May 31, than has been recorded on the history books in the wake of this speed classic, is foretold by the large number of out of town sales and inquiries to date.

A request for 125 of the best available seats has been received from the treasurer of the Saginaw (Mich.) Automobile Dealers Association, who states that arrangements are being made for the Wolverine race enthusiasts to make the trip via special train.

Indications show that the 1920 attendance will equal or better the record made in 1914, when more than 100,000 persons saw Rene Thomas, driving a Delage, romp across the finish line a winner. Numerous requests for reservations are coming from Detroit, Chicago, St. Louis, Louisville, Cincinnati, Toledo and many other cities.

Tours' managers have interested themselves in arranging parties in all parts of the United States to travel to the coming 500-mile race in special trains, and a large party originating at Boston is already assured.

Gaston Chevrolet, youngest of the famous racing brothers, has been named as the second member of the Moaroc team which will compete with a trio of cars in the 500-mile race for \$50,000 to be held at the Indianapolis motor speedway, May 31.

Gaston broke the world's record for the 100-mile mark in competition when he won the 100-mile free-for-all Independence Day race at Sheepshead Bay last season with an average of 110.5 miles per hour. Later in the year he made an average of 108.95 miles per hour over the same track when he won the 150-mile Labor Day event. Teaming with Joe Boyer, he won the 225-mile race at the Uniontown track, and he was sixth in the list of drivers in all races for the year.

He showed marvelous driving ability in the 1919 Indianapolis race when he was neck and neck with Ralph De Palma and his brother, Louis, in a daredevil exhibition that brought the stands to their feet. At the climax of the struggle his right front wheel snapped off, but he brought his car into the pits safely.

## EX-SOLDIER KILLS FATHER AND MOTHER

Dispute Over Planting of Field of Corn Causes Boy to Murder Mother and Fatally Wound Father.

Athens, O., May 29. — Following a dispute over planting a field of corn, 13-year-old Howard, 32, ex-soldier, shot and instantly killed his mother, 70, and wounded his father, Lewis Howard, 73, early today, according to a report to local police.

The shooting occurred at the family home near Amesville, 15 miles from here. Howard fled and a posse is searching the hills for him.

Young Howard and his father had started out for the day's work when a dispute over the proper marking out of a field of corn arose. Angered the young man returned to the home and obtained a revolver with a threat to kill his father.

The mother interfered and was shot down. The elder Howard fled after his wife had been murdered, the report said, and Howard pursued him, firing three bullets into the old man's back.

He then beat him about the head and face with the revolver butt, fracturing his skull. The father will die, physicians said.

## NOT QUITE UP T IT

You Feel That Way If Your Blood Is Starved for Red Cells. Pepto-Mangan Makes Red Blood. Overcomes That Languid Feeling That Chents You Out of Work and Fun.

You say, "I wish I could go, but I don't feel able." Your friends say, "Are you ill?" You are not exactly sick, but just feel unable to approach work or play in the old, vigorous spirit.

The high speed at which Americans live sometimes taxes their strength. The blood is weak, lacking in red cells. When this condition exists, Gude's Pepto-Mangan taken three times a day shows quick benefits. Pepto-Mangan is known to physicians as The Red Blood Builder. It increases the supply of rich, healthy blood and in the absence of deep-seated disease this means health and strength for men, or women or children.

Pepto-Mangan is put up in both liquid and tablet form. Both forms are exactly alike in medicinal qualities. When you order Pepto-Mangan, be sure to ask the druggist for "Gude's." And look for the name "Gude's" on the package. If "Gude's" is not there, it is not Pepto-Mangan.—Advt.

#### CONSTIPATION

And Sour Stomach Caused This Lady Much Suffering. Black-Draught Relieved.

Meadowville, Ky.—Mrs. Pearl Patrick, of this place, writes: "I was very constipated. I had sour stomach and was so uncomfortable. I went to the doctor. He gave me some pills. They weakened me and seemed to tear up my digestion. They would gripe me and afterwards it seemed I was more constipated than before. I heard of Black-Draught and decided to try it. I found it just what I needed. It was an easy laxative, and not bad to swallow. My digestion soon improved. I got well of the sour stomach, my bowels soon seemed normal, no more griping, and I would take a dose now and then, and was in good shape. I cannot say too much for Black-Draught for it is the finest laxative one can use." Bedford's Black-Draught has for many years been found of great value in the treatment of stomach, liver and bowel troubles. Easy to take, gentle and reliable in its action, leaving no bad after-effects, it has won the praise of thousands of people who have used it. NC-135
